TWELVE PAGES.

EDMONTON, ALBERTA, SATURDAY APRIL 12, 1908.

SEEDING IN FULL SWING IN PROVINCE

Farmers Taking Advantage of Favorable Weather—Seeding is General.

Seeding operations are now in full swing in the whole of Central Alberta and the prairie. The weather continues next week, will see the growth of the wheat soon in the ground. According to reports received at the Bulletin office from reliable sources, the average in crop this year promises to be good, even, for the country. The partial crop failure of last year, the early spring taken as an indication of a good season, and with satisfactory weather and a long cultivated soil, a number of the portion of the farmers, this will disprove the few reports of the much-talked-of financial stringency, and will cause a steady wave of prosperity to sweep over the country, which will benefit people in every walk in life.

Ex-Alderman Thomas Daly, one of the leading farmers in the Clover Bar district, reports seeding as general in that part of the country. The land is being tilled from the prairie to the foothills, and the seeding is general and land is being tilled. The weather is so good that the seeding is being done in the best of conditions.

Further out in the Beaver Lake district, reports are coming in that the seeding is being done in the best of conditions. The weather is so good that the seeding is being done in the best of conditions.

To the west of the city, the seeding is being done in the best of conditions. The weather is so good that the seeding is being done in the best of conditions.

Similarly in the district around St. Albert and Morinville, reports are coming in that the seeding is being done in the best of conditions. The weather is so good that the seeding is being done in the best of conditions.

Reports are coming in along the line of the C.N.R. in Alberta indicating that the fine weather conditions of the past few weeks have helped the farmers to start seeding. It is estimated that twenty per cent of the wheat is already sown.

The drawback in this district, however, is the fact that very little ploughing has been done last fall, thus delaying seeding this year. It is believed that the crop average will be larger than ever in this part of Alberta this season, and that a large amount of the crop will be in wheat.

Seeding in the South.
South of Edmonton, along the line of the C. & N.W., the farmers are also seeding. The weather is so good that the seeding is being done in the best of conditions.

A representative Bulletin man who has been in the south of the province during the past week, reports seeding well in hand. There are very few farms where seeding has not commenced.

A Minister Succided.
Windsor, N.J., April 15.—Rev. George Tomlinson, pastor of the First Presbyterian Church of this place, was found dead on the floor of his room in Newton Hotel with a bullet wound in his temple. Many elements of mystery are in the death of the prominent clergyman, who has been in the city for some time.

Incendiarism in Victoria.
Victoria, B.C., April 15.—A deliberate attempt was made last night to fire the St. James street house of the Rev. J. H. McLeod, a prominent clergyman. The fire was extinguished by the fire department.

Big Tobacco Firm Dissolves.
Richmond, Va., April 16.—Runners and smokers in this city are being affected by the American Tobacco company, which has been dissolved.

THREE MEN LOSE LIVES BY SWAMPING

Hardly, April 17.—The temporary bridge at the G.T.P. crossing of the Hattie river has been swept away by an ice gorge. The three men who were on the bridge at the time of the accident, were killed.

Three men were killed and two injured when a temporary bridge at the G.T.P. crossing of the Hattie river was swept away by an ice gorge. The three men who were on the bridge at the time of the accident, were killed. The two who were injured, were taken to the hospital.

COAST PROVINCES WILL TAKE OVER FISHERIES

Agreement Made Seven Years Ago With Federal Government Revisited and Province Will Now Assume Jurisdiction.

Vancouver, B.C., April 16.—Attorney General Bowser announced today that the Dominion government has agreed to transfer jurisdiction over the fisheries of the coast provinces to the provinces. The agreement was made seven years ago.

Mr. Bowser declined to agree to this transfer of jurisdiction, but the provinces have insisted on it. The agreement was made seven years ago, and the provinces have insisted on it.

SAYS MILLIONS BEING WASTED

Dismissed Engineer on G. T. P. Makes Value Charges—Wants Investigation.

Vancouver, B.C., April 17.—Alleging that millions of dollars are being wasted on the construction of the government project of the Grand Trunk Pacific railway, Major A. E. Hodgins, C.E., has issued a letter, the object of which is to cause an administrative investigation. Major Hodgins is now a resident of Victoria.

Major Hodgins, who came to Canada three years ago, after serving on the staff of Sir Percy Girardin in Africa and was appointed district engineer in charge of the construction of the Grand Trunk Pacific railway.

and him was dead and dying" and that he was "not a slave," but that he was a free man. He was, however, which was the only objection to his being a free man. A spirit of this enterprise should not be approached. It was stated that the artificial sale for navigation and the State sale for navigation and the long hauler would not be so numerous as so expensive as generally supposed. Perhaps not. If not, so much better. But this is not the idea of which we should approach.

well or fails to fit at once into the peculiarities of the new environment, often a fulmination against immigration generally, and without exception against the Jews, is the result. It is a fact that 100,000 immigrants come to the United States each year, and that 100,000 more are to come with the next. Until no system of immigration can be devised to enforce the admission of some of the immigrants, the Jews will stream to be stopped because of their numbers. The answer to this question of those who wait to see the Jews, is that the Jews are a legitimate structure on the large foundation of the United States, and that it is laying down the law to say that they are not. The Jews are not a religious and critical, and especially a religious and critical, people. They are a people for the classes whose humanness is not a matter of principle. They do not hold them to people; or things that are human they can understand.

EASTER PROMOTIONS.

The following are the promotions from the three lowest classes in the city public schools, Part I, Part II, and Standard II. General promotion examinations took place principally in July.

Queen's Avenue School.
Standard II to Standard III—W. Wagner, C. Elliott, C. Tate, M. McLean, E. Silles, B. Third, L. McDonald, L. Johnson, M. Williamson, G. Galt, E. Crystall, E. Rogers, A. Cooper, B. Turner, A. Wolff, J. Foster, S. Barr.
Part II to Standard II—C. C. McKinnon, L. Churchill, R. Chakalak, V. Tomlinson, E. Thompson, F. Smith, M. Smith, A. Umack, H. St. John.
Part I to Part II—Pike, A. Dickson, A. Wolff, E. Green, N. Brownman, J. Pike, M. Hall, C. Hall, M. Chamberlain, D. McKinnon, J. Third, H. Johnson.

Norwood School.
Standard II to Standard III—T. Hoffmann, A. Klapsch, G. Rutherford, C. Poir, E. Maclean, E. Buck, O. Jones.
Part II to Standard II—C. C. Carnegie, J. Barron.
Part I to Part II—K. Sarge, G. Thompson, F. Buck, H. Azee, E. Lach, H. Pote, H. Jones, H. Klapsch, A. Elmer, E. Toss, E. Knitt, J. McArthur, H. Black, L. Lamer, E. Black, A. Greulich, C. Duganovich, M. Pucillon, V. Lamer, F. Kruger.

Syndicate Avenue School.
Part II to Standard III—M. Hower, L. West, E. Francis, F. Peck, L. McArthur, H. Pote, H. Jones, H. Klapsch, A. Elmer, E. Toss, E. Knitt, J. McArthur, H. Black, L. Lamer, E. Black, A. Greulich, C. Duganovich, M. Pucillon, V. Lamer, F. Kruger.

Alexander Taylor School.
Part II to Standard III—M. Poyar, E. Miller, F. Myers, S. Mayson, H. Nohitt, M. Fringle.

McKay Avenue School.
Part I to Part II—H. Beaton, E. McKenzie, L. Pomer, M. McVig, L. McIntosh, D. Peck, J. Miller, G. Parsons, F. Chalmers, H. Waldenhouse, G. Thon, E. Wilson.

Peace Avenue School.
Part I to Part II—C. Waste, H. Mellett, H. Martin, S. Cox, F. Parker, S. Berry.

Donald Ross School.
Part I to Standard II—W. Dwyer, J. Hanson, F. Connor.
Part I to Part II—V. Duncan, L. Munter, B. De, C. Beisoh, E. Oshoro, H. Begley, H. Gress, J. Townsend, M. Dwyer, A. Grew, M. Beisoh, E. Oshoro, M. Jozsmak, A. Gress, W. Hanson.

FOOTBALL LEAGUE ORGANIZED.
A representative gathering assembled at the Y. M. C. A. yesterday in the annual convention of the Alberta Association Football League. In the absence of the president, Mr. J. W. Ward, secretary of the Y.M.C.A., was called upon to take the chair, and business commenced without delay. Last year's showing was very satisfactory both from a financial point of view and from the number of games played. Every evidence is shown of

a larger number of clubs being entering ground in Central Alberta and especially along the line of the C.N.R. The League now feels strong enough financially to offer twelve individual prizes for the members of the winning club, this season, and there will be doubt as to a keen contest. There is no doubt as to the probability of a cup or shield being put up for competing for the League trophy. Some change was made in the constitution of the League regarding the different districts. It was formerly the duty of the executive committee to arrange the year's work for the whole League, but as this was found inconvenient it was decided to appoint a vice-president for each district, whose duty it would be to arrange the affairs pertaining solely to that district. Should any district be organized not now provided for, the president has power to appoint a vice-president to look after that district. This move will greatly facilitate the arrangement of games in each district, and take a great deal of work off the executive body. The games in each district are to be played off by June 15th, which will permit of the semi-finals and finals being played before the harvest season. The latest of the final games had been decided and the League decided to strike out the clause relating to the payment of travelling expenses, and it now stands that each club will have to pay its own travelling expenses. The election of officers then concluded the work of the convention, and the present officers will undoubtedly carry out the year's work with unprecedented success. The following officers were elected:

Hon. president, Hon. A. C. Rutherford, 1st div. vice-president, F. A. Walker, J. B. Hollen, Dr. Craig, J. A. Fairley, A. Bennett, president, J. W. Ward, vice-president, Vermilion district, H. V. Fairbairn, Vermilion district, Dr. M. G. Conolly, Vegreville district, S. A. Dickson, Fort Saskatchewan district, J. A. Jackson, Ponoka district, J. A. Fairley, Inman district, secretary-treasurer, R. H. Edmunds, Edmonton. Elective members of executive committee, R. Ward and S. Short, Protet committee, F. H. Marks (Strathcona), T. M. Turnbull (Edmonton), and McGregory (Gardiner (Strathcona).

THE TRAGEDY OF LIFE.
Cheques on Bank of Life All In and Diamonded.
Montreal, April 18.—The body of William S. Hartley, of Montreal, was found in Westmont Park this afternoon with a freshly discharged revolver lying near by. It was evident that the young man had committed suicide. A letter was found on the body addressed to a friend, which said: "When you have read this I shall have gone into the dark. I can see no outlet from this awful struggle. My cheques on the bank of life are all used and diminished. The horrible thing is I cannot save others from

the consequences of my own selfish wrong doing. If I had not lost my position in bank, I could have married and lived life. The first seed was well known in Montreal and in his trouble had evidently concluded that suicide was the easiest exit."

BURN WINS EASILY.

Calgary, April 12.—The twenty mile challenge race yesterday afternoon between Art Burn and Peter Terway was won by the Calgary man in the greatest kind of a way. In fact, Burn finished ahead, the pace having put Terway out of the competition when about half the distance had been covered.

The race was to have started at 2.30, but as a strong wind was blowing at that time, it was decided to wait until it went down. The start was made at five o'clock. The arrangement was that two and a half miles should be run in the race track, fifteen miles across country, and two and a half miles on the track making twenty miles in all.

Burn took the lead after the first half mile had been run, and got out into the track and onto the country road with a lead of 100 yards, which he kept increasing until ten or twelve miles had been covered, when Terway exhausted by the pace the Calgary man had set, gave up and came home in a rip. When Burn got back to the track, fifteen miles had been run, and a half mile. Burn made the twenty miles in 2.45. His feet were very sore, but he was otherwise quite comfortable. The last distance the indefatigable Jimmy McVean, who accompanied the winner from Calgary, followed him over the course in a rip.

This dispenses of the question of Burn's superiority over Terway, and incidentally puts a serious kink in the theory of those who claim that Burn cannot run a longer distance than from five to eight miles with the good ones. The Hamilton Herald course is 7 1/2 miles and a few hundred yards, and while the record for it is a little over one hour and forty-five minutes, it must be remembered that the contestants in that event are all the way at the bottom point, and not running

as Burn was yesterday, practically alone.

LOMBARD TALKS.

Calgary, April 12.—Lombard has returned to the city from his trip north. While there he witnessed the bout between Truscott, the Australian, and Buckley, the heavyweight. According to the Chicago box, though Truscott had all the best of the go, he did not show up very good. He had it in his mind to get down to business, but he fell with practically without accident, but he had a heavy fall. The little fellow was too fatigued to be caught, though Buckley was not here strong enough to make the Chicago show his fire.

Lombard says that he thinks Truscott is a good boxer, but he is also of the opinion that he should beat him. The weight was 133 pounds. Truscott is a little too heavy for this, though, but he might be able to get long to it. Hearty should be very glad to meet him if he could make his weight.

Lombard has been kind of under the weather for the past month, and is now taking treatment. In the meantime, he is able to start training, but he is still in a hospital. He expects to be all right in a couple of weeks, and if things can then be arranged he will go after the scalp of the Spokane boy.

Babe Kerr, of Toronto, ran fifty yards in world's record time 8.35, at an indoor track the other day and thinks he will have little difficulty in equalling the time—6 1/3 seconds—made by Eke-man of Montreal over the sixty yards sprint.

DON'T MISS IT!

Women of Canada, You Wish to Retain Your Health, Beauty?

If you do, there is one sure and unfulfilling method. Hundreds or thousands of women have proven that

PSYCHINE

Will keep a Woman YOUTHFUL, VIGOROUS and BEAUTIFUL for Many Years

THE VIGOR OF GIRLHOOD.

"I am thankful for what Psychine has done for me. I was laid up with weakness. Oh, how I suffered. My appetite was very poor, and my stomach was greatly deranged. Today I am strong and well. Psychine has brought me permanent relief. I feel and look like a new woman now to what I did before taking Psychine. I feel the vigor of girlhood in my veins once more." MRS. J. T. MILLER, 63 Notre Dame St., Winnipeg.

NO TROUBLE SINCE.

"Six years ago I took Psychine for nervous trouble and disorder common to my sex. I had been laid for six weeks and no doctor's or other treatment did me any good. Psychine strengthened me right away, and brought me permanent good health and restored to my cheeks the bloom of youthful vigor. I have never been troubled since that time." Miss E. A. Sterling, Maxwell, Ont.

This is natural, because Psychine wonderfully tones up the system, regulates the stomach, aids digestion, makes strong, rich, pure blood, and sends it coursing through the arteries and veins with abundant life and vigor. Every vital organ is directly benefited. It especially tones up and strengthens the delicate female organism. A healthy woman with plenty of rich, pure blood in her veins and cheeks cannot help being beautiful and retaining perpetual youthfulness. Psychine will help you reach this coveted goal. For sale at all druggists. 50c and \$1.00.—Dr. T. A. Stearns, Limited, Toronto.

FRUIT RANCH, KELOWNA, B. C.

FREE EXCURSION TO KELOWNA

The Famous Fruit Growing District of the Okanagan Valley, B. C.

Here in the neighborhood of the beautiful lake, where the soil is surprisingly fertile, where the climate is mild and equable, where the scenery is grand and the inhabitants happy and contented, are situated some of the FINEST FRUIT LANDS IN THE WORLD.

Most of these lands have already been bought up and are being planted out in orchards of Apple, Pear, Cherry, Peach and other trees. Almost the last acres of open, level, irrigable land in this vicinity capable of growing the finest fruit, are now being offered for sale in ten-acre blocks on easy terms. Remember that fruit lands at Kelowna are continually increasing in value, and buy early. These lands are free from timber, rock and scrub and are planted ready for planting.

The Central Okanagan Land and Orchard Co., Ltd. will conduct an excursion to Kelowna, leaving Edmonton and Strathcona on Monday afternoon, April 20th, at 4 o'clock, and leaving Calgary on Tuesday morning, April 21st, at 9 o'clock. Round-trip railway fare. Join the excursion and grasp this opportunity of seeing this beautiful country. Free transportation from any point in Alberta to anyone purchasing ten acres or more. Call and see photographs of land and secure illustrated booklet.

The GREAT WEST LAND COMPANY, Limited

Phone 138. 45 Jasper Avenue, Edmonton.
